

Due to expansion, Sceptre Leisure are looking to recruit for the following position, based from our West London depot

VAN DRIVER / INSTALLER – Immediate start

Delivering and installing fruit machines, jukeboxes and pool tables to our customers in a 'Luton' type van.

This is a physically demanding role, and a flexible approach to work is required, as is a full driving licence.

A good general knowledge of the roads and motorways around the West London areas would also be advantageous.

Please note, security reference checks will be carried out before

To apply for the above position, please contact Jacki Miller
